The Tulsa Church of God
2nd Quarter 2012 - Speakers Schedule

**** IMPORTANT - PLEASE READ ****

Men, please keep in mind the following points so that we may be consistent, orderly and professional in our services each week.

1. Bible Studies 30 to 40 minutes
Split Sermon 30 minutes
Sermonettes 12 to 15 minutes and no more than 3 scriptures.
2. Song leaders, **PLEASE BE AT LEAST 45 MINUTES EARLY** to coordinate services and review your hymn selections with the accompanist.
 - A) 2 or 3 hymns before the opening prayer, and **be sure to announce who is giving the opening prayer before you begin your last hymn** so that he can be prepared to come forward at the end of the hymn.
 - B) 1 or 2 hymns before the announcements, **check the clock, if the time is nearing the hour, reduce your hymn selections accordingly.**
 - C) 1 or 2 hymns after the announcements, **again check the clock, if it's past the hour, reduce your hymn selections accordingly.** If it's short of the hour and the speaker giving the sermon hasn't indicated the need for more than an hour, then add a hymn.
 - D) 1 or 2 hymns after the sermon or more if it's still early, and again **be sure to announce who is giving the closing prayer before you begin your last hymn** so that he can be prepared to come forward at the end of the hymn.

It's the song leaders responsibility to monitor the time and provide an even flow of the service and that the speakers have ample time for their Sermonettes and Sermons. Once you take the stage at the beginning of services, you're the one we depend on for an orderly and smooth service!

 - E) Check before services if there are Sabbath School classes or not. Try not to ask from the pulpit.
 - F) Do not welcome visitors or encourage their return if there are none present! It gives the appearance of insincerity and lack of awareness. Visitors are not irregular members but first or second time attendees or the occasional non-member.
3. **Greeters need to be at least 30 to 45 minutes early** to assist in preparation for the services. (The Greeter is not required to attend the pre-service meeting unless giving the opening or closing prayer.)
4. All men with assignments for the week **PLEASE meet in the Pastor's study 10 minutes before services.** Song leader, be sure to remind the men you've selected for opening and closing prayers to also attend this meeting. Use this time to complete your assignment preparations for services.
5. Speakers be prepared with your assignment at least one week in advance in the event that we should have a last minute change in the schedule.
6. If you're scheduled for an assignment and find that you'll be unable to perform your duties, **please inform me (Lawrence)** as early as possible so that an alternate can be notified. **Also notify Sherry Gawith of any schedule changes so that the Sabbath Bulletin may be changed accordingly.**

Men, thank you for your service to the Church. Everyone in the Church greatly appreciates the efforts that you're putting forth in presenting the Word of God.
